Subject:

Task Order No. 5

[REDACTED]

In connection with the performance of the subject Task Order, it is important that we inspect at the Naval Reconnaissance and Technical Support Center [REDACTED] Suitland Road, Suitland, Maryland, an electronic device for enhancement of photography which has been built by [REDACTED] for the U. S. Navy.

25X1A

25X1A

We have been informed that our inspection of this equipment necessitates our contracting officer's approval. It is, therefore, requested that the necessary certification of need-to-know be issued, so that we may gain access to the above described equipment.

11-6-64

Very truly yours,

25X1A

This matter was handled by phone. Mr. [REDACTED] will contact [REDACTED] to arrange for new LNL/gea. RPH

[REDACTED]
Senior Contract Administrator
